STEPPING STONES . . .

"Life is not a destination but a journey."
—Unknown

If one is to make this journey, he must first cross the river of ignorance upon the stepping stones of education.

The first Miss C. C. T. I. pageant ever conducted was held November 4, 1966. Emceeing the competition, in the school library, was Vince Marty, local radio station manager, who introduced the aspirants collectively, individually and then exchanged informal conversation with each. Judges for the pageant were Bob Brown, Mrs. Jo Sheer and Roy Cashion; pageant co-ordinator, Max Minter.

Gold Medallion

Consider the advantages of a Gold Medallion Home.

Clean, flameless electricity keeps you warm and cooks your meals, heats the water and gives you light for living; and works in so many other ways to make housekeeping chores easier and living better.

P.S. CP&L'S rate for all-electric homes has been reduced four times since 1960. Electric living is cheaper than ever. It's better, too.
